

# The Kleos

## Valeriano, Fafara Elected To Lead Fraternity

by John J. Russo, *Kleos* Editor

The business meetings of the 66th National Convention of Alpha Phi Delta ended with the election of our 39th National President. At the Hilton Hotel in Lake Placid, New York, Robert J. Valeriano (Psi '72), most recently National Vice-President, was elected unanimously to the fraternity's highest post. He was unopposed.

Unexpectedly, there was competition for a fraternity office for the first time since 1980. Earlier in the year, Calvin Shipley, Vice-President for Financial Affairs, had announced his intention to run for the office of Executive Vice-President. On the first day of the convention, Al Fafara of the New Jersey Alumni Club and Beta Xi chapter submitted a petition also for the same office.

On the final day of the convention, the delegates were treated to a small scale political debate. Both candidates spoke to the convention body with their plans for office. After the speeches, both men were subjected to a question and answer session (not unlike regular political candidates at a "Meet The Press" conference — it was like a Political Science class for the undergraduates).

The two men were quickly typecast in their view of the duties of the office. Shipley stressed the financial needs and goals for the fraternity, while Fafara's main points were directed towards the inner strength and greater participation of the entities.

The election for the office of Executive Vice-President was then held by secret ballot. When the votes were tallied, Al Fafara was declared the winner by a vote of 29 to 16.

After the elections, the podium was turned over by outgoing President Richard Primiano to his newest successor. President Valeriano's first act was naming his new executive board. Three current officers were retained in their present positions; Joe Rossi as Executive Secretary, Jim Bloemker as Vice-President for Public Relations and Communication, and John Russo as *Kleos* Editor. The following new officers were named: Vice President for Financial Affairs — Paul Fabrizio; Vice-President of Cultural Affairs — Dr. Jerry Cashman; Vice-President for Alumni Affairs — Joseph Rahtelli; Vice-President for Expansion — Joseph Malecki; National Chaplain — Reverend Leonard Tuozzolo; Legal Counsel — Charlie Fiore. The position of Vice-President for Good and Welfare was left vacant until a person could be found to perform the duties.

(continued on page 6)

Newly elected top officials of Alpha Phi Delta: Al Fafara (Left), Vice-President shakes hands with his leader, Bob Valeriano, 39th National President.

## 1986 Award Recipients

- Outstanding Chapter — Beta Rho (Gannon)**
- Most Improved Chapter — Beta Phi (Glassboro)**
- Outstanding Alumni Club — Brooklyn AC**
- Outstanding Alumnus — Sam Catanzano (Nu)**
- Outstanding Undergraduate —  
Chris Pinchiaroli (Beta Omega)**
- Undergraduate Service Award —  
Lou Evangelista (Theta Beta)**

Member of the National Interfraternity Conference and the College Fraternity Editors Association.

THE KLEOS is the exoteric publication of Alpha Phi Delta Fraternity. A quarterly magazine devoted to educational materials concerning college and fraternity interests published under direction and authority of the National Council of Alpha Phi Delta Fraternity.

# Scholarship Foundation Awards \$7,500

by John J. Russo

For the second year in a row, the Alpha Phi Delta Scholarship Foundation awarded ten recipients individual scholarships of \$750. Forty-eight students sent in for applications this year, and 28 of them returned fully completed forms.

Under the guidance of chairman Trent J. Ciarrocchi, the Scholarship Foundation continues to flourish. Assets in the foundation rose to \$130,000 in 1986. The foundation received its largest individual donation this year when Brother Jim Giampiccolo of the Southern California Alumni Club donated \$10,000 (see Spring 1986 issue of *The Kleos*). The first Carmelo and Carmela Giampiccolo Award was given to Greg Rizzo, Omicron, who was in attendance at the convention.

Scholarship awards are open to all members of Alpha Phi Delta, their wives, sons, daughters, sisters, brothers, grandchildren and friends. In order to be eligible, an applicant must be atten-

Brother Jim Giampiccolo (left) socializes with Scholarship Chairman Trent Ciarrocchi after the scholarship awards were presented.

ding college of graduate school or be a high school senior planning to matriculate in the coming year. Scholarship applications for 1987 will be available next March and must be completed by June 30th. The Foundation encourages all eligible members and relatives to apply.

## The Winners of 1986 Scholarship Awards are as follows:

### Carlo Vannicola Award

*Mr. Matthew F. Marusiak* of Reynoldsville, PA. Brother at Beta Rho attending Gannon College.

### Hon. Joseph DeGullielmo Award

*Ms. Kelly Lynn Mancini* of Beaver Falls, PA. Daughter of Brother Paul Mancini (Psi) attending Penn State University.

### Frank Cavallaro Third District Award

*Mr. Steven Esposito* of Staten Island, NY. Brother at Beta Beta attending University of Guadalajara School of Medicine.

### John Pasta Award of the Long Island Alumni Club

*Ms. Lisa Ruddy* of Staten Island, NY. Sister of Lewis Ruddy (Beta Omega) attending Pace University.

### John Pasta Award of the Long Island Alumni Club

*Mr. Sean Malone Hughes* of Milwaukee, WI. Brother at Beta Theta attending University of Steubenville.

### Brother Camillus Casey Award

*Mr. Braxton Fenner* of Brooklyn, NY. Brother at Beta Sigma attending St. Francis College (NY).

### Dr. Domenic A. Macedonia Award

*Mr. Paul J. Chappano* on Mingo Junction, OH. Son of Ralph Chappano (Beta Theta) attending University of Pittsburgh.

### Carmelo and Carmela Giampiccolo Award

*Mr. Gregory Dominic Rizzo* of Livonia, MI. Brother at Omicron attending University of Michigan.

### Armand DeRosa Award

*Mr. Vincent Verdile* of Mt. Laurel, NJ. Brother at Beta Phi attending Glassboro State College.

### Alpha Phi Delta Award

*Mr. Paul Young* of Schenectady, NY. Brother at Beta Theta attending University of Steubenville.

# HAS A NEW ERA BEGUN?

by Joseph Rahtelli

Some people may say that Alpha Phi Delta has just entered a new era at 72 years young. There have been two major changes in the past year that would confirm this notion. The first is that of the National Council Meeting being moved from the National Convention in August to what was the Mid-Year Executive Council Meeting. The other is the concept of the Summer National Convention.

The moving of the National Council Meeting will benefit the undergraduates. They will now be able to attend this extremely important meeting without worrying about (1) money for a more expensive convention, (2) summer jobs, (3) not having the chapter together to discuss the issues and deciding who will go to represent the chapter. It will probably not affect the alumni because time of year is not a factor with most of them. It can only be predicted that the National Council Meeting attendance will increase compared to the past.

Our next summer convention, in Toronto, will not be like its predecessors. It has been designed and arranged to be a fulfilling vacation for every brother in Alpha Phi Delta. It is the type of convention that a brother who, single or married, with or without children, will be able to experience brotherhood and spend five splendid days in a magnificent city. All brothers and their families will be able to do what they would want to do on a vacation. This convention has the potential of being the best ever.

There is one more point that will probably prove to be the spark of this new era. That is our new National Officers.

Our new President, Robert Valeriano, has excellent ideas and great self-motivation to get the fraternity to a higher plateau that has never been reached. Al Fafara, our new Executive Vice-President, has the personal drive which will have him traveling all over this country helping entities become the best they can be and proving to them that Alpha Phi Delta on the national level cares about every brother and wants to help. There is also a new way of thinking on the executive council. There is a positive point of view which says that we can accomplish our hopes and aspirations. The District Governors are determined to get going and get the job done. The National Vice-Presidents seem to have this spark of enthusiasm and the drive to accomplish their jobs and to assist wherever else they are needed. They want to raise the level of Alpha Phi Delta to heights which we have never seen before.

The future of Alpha Phi Delta looks bright. The stage has been set. But in order for our fraternity to accomplish anything, we need support and involvement. Some people have things happen to them, or get a message, to awaken them to want to do something. This is your message. Let this be that moment when you decide that you will take part in your fraternity as it reaches new heights. Turn to the page with your Executive Council listing, contact one of them and ask what you can do, or better yet, tell them what you would like to do to contribute to our fraternity. They are there for you. Let them do their jobs as you do yours, getting involved and being active.

Brother Jim Giampiccolo congratulates the recipient of the first Giampiccolo Scholarship Award, Brother Greg Rizzo of Omicron.

## 1986 CONVENTION AWARDS

### Outstanding Undergraduate Chris Pinchiaroli - Beta Omega

by Frank D. Farina

Since his induction at Beta Omega (Pace), Chris has been a model brother. His activity and motivation is a symbol of his dedication to Alpha Phi Delta.

Shortly after his induction, he replaced the chapter secretary. He published a regular and widely distributed chapter newsletter. This brought the chapter closer to other chapters and the national organization. During his tenure as secretary, Chris organized the third district dance at the "Underground," a well known New York night club. This endeavor took the cooperation of all the district chapters. The dance was a success, which returned a modest profit to the entities.

The following year, Fall 1985, as President, Chris led the chapter to increased activity, both within and outside the fraternity. As president, he helped institute a new constitution, closer in line with the national model. He helped defuse several fraternity related crises on campus which exemplified the ideals for which Alpha Phi Delta stands. Although he served only one semester as president, he did more than his fair share.

Chris has attended the vast majority of Third District functions during his life as a brother. He has represented the chapter at every 3-D meeting for the last two years. He has also served the chapter at every convention and mid-year since his induction. He has also participated in the many Beta Omega road-trips — Chi, Xi, Beta Chi, and Beta Phi, as well as the various 3-D social functions.

At Pace, Chris has volunteered his time in many ways. He has been an orientation tour guide, phoneathon volunteer, and university senator.

He was hand-picked in 1986, by the political sciences department, to be the student president of Pi Gamma Mu National Honor society. The organization needed to be chartered at Pace, and they knew on whom to call. He authored the constitution and elicited the support of the student affairs office and of the Day Student Government. In December the society was chartered.

As if his devotion to school and fraternity was not enough, throughout his tenure at Pace Chris has held two jobs (simultaneously), working upwards of 35 hours per week, while attending classes full time.

Since his induction in 1983, Chris has been on the Dean's list for five consecutive semesters, earning a 3.9 one semester while he was secretary, and nearly graduating with honors (3.43 cum. G.P.A.).

Chris Pinchiaroli proudly displays his award.

### Outstanding Alumnus Sam Catanzano - Nu

by A. Joseph Creston

Sam Catanzano receives his award as 1986 Outstanding Alumnus from new President Bob Valeriano while outgoing president Rich Primiano looks on.

Brother Sam Catanzano attended the University of Pittsburgh and received his Bachelor Degree in Chemical Engineering. He was inducted into Nu chapter in 1949, served on the University's interfraternity council, and was chapter secretary.

After graduation Sam traveled extensively for several years. In 1972 he joined the Pittsburgh Alumni Club and the following month attended the mid-year meeting in Utica, NY. Since that period he has been very active with the

club. He served as PAC Vice President in 1979-80, Picnic Chairman, PAC Dinner Dance Chairman, and Chairman of the 1985 Outstanding Alumni Dinner. Sam and John Russo recently completed the updating of the PAC mailing list and incorporated it into the rapid mailing system the club is currently using. Whatever event our club has sponsored, Sam could always be depended on to attend with several friends. For his outstanding service to the Pittsburgh Alumni Club, Sam was awarded the prestigious Outstanding Pittsburgh Alumnus Award in 1984.

Sam served for several years on the National Housing Committee. He has been a PAC delegate to many conventions. Since joining the alumni club in 1972 Sam has not missed a convention, and he drove from Atlanta, GA to Lake Placid to attend again this year.

When Gamma Delta at Waynesburg College was being established, Sam provided invaluable assistance to Joe Creston, the Project Manager. He was not only present for the formal induction but made several trips with Joe Creston to meet each pledge class and speak to the chapter. For that he should be commended because a round trip from Pittsburgh to Waynesburg is 160 miles.

In his profession, Sam has always been a very active member in the Society of Fire Protection Engineers. He is the founder of his chapter in Pittsburgh and served as its first president. He is currently the National Vice President of the organization and in 1987 will be the National President.

Sam was a Vice President for Marsh and McLennan, Inc. for 14 years and is nationally known as an outstanding Senior Fire Protection consultant.

Unfortunately for the PAC, Sam and his wife Sara relocated to Atlanta, Georgia earlier this year when Sam made a career move. Sam and Sara are in the process of contacting the APD brothers in the Atlanta, GA area to monitor the interest in forming an alumni club and a ladies auxiliary.

## 1986 CONVENTION AWARDS

### Outstanding Chapter

# BETA RHO WINS COVETED AWARD

by Matt Marusiak

The first activity for the fall semester '85 was our formal Sweetheart Dance on September 27. Nina Cotroneo succeeded Terri Myers as our new sweetheart.

Our major fundraising event, the Spaghetti Dinner, was held on October 27. The night before the Erie Alumni Club sponsored an alumni party at the house, and they came to renew friendship, and to show support for the dinner, a 26-year old tradition. The dinner itself went well. As always it took a lot of work and effort,

but it was an enjoyable time as each brother pitched in and did his part. The dinner made \$2600, which in part sponsored a Christmas party given by the brothers to the Gertrude Barber Center for the handicapped. All extra food was given to Emmaus Soup Kitchen, where it was greatly appreciated.

October also witnessed our theme party for the fall, the Hillbilly Hoedown. The brothers covered the dance floor with straw, and everyone brought out their flannel shirts, suspenders, and neck kerchiefs, and partied down.

House improvements and repairs for the fall include the installation of a new carpet on the first and second floor, and redoing the bar floor and two bathroom floors. A new sweeper was obtained to keep the carpet nice, as well as a new phone and a microwave.

In December we had a toys-for-tots party. The idea was that everyone coming to the party should bring a toy. We gave the toys to the children of the Gertrude Barber Center during the party we had for them.

On December 14 we held our Christmas Dance. After a good sit-down dinner, we gathered about the tree and exchanged presents. The affair then moved to our party floor where we danced, sang and drank. Christmas spirit was running high and might that night.

In intramural sports for the fall we took a second place in softball and a third in golf.

The Fall '85 semester also saw two good men get in: Dave Sweeney and Joe Stephenson.

The semester ended with board elections for the 1986 year. Tom Ermlich won as president, Jim Bayer as vice president, Todd Winship as house manager, Bob Nestor as social chairman, Russ Ehrenfeld as fundraising chairman, Matt Marusiak as secretary and spaghetti dinner chairman, and Mike Chepelsky as chairman of the judicial board, sharing his responsibilities with Keith Woods and Mike Gadosh.

The spring semester began with our usual Friday night parties. It was good to come back refreshed from Christmas break, and be ready to tackle a new semester.

Brothers from Beta Rho accept their award as Outstanding Chapter for 1986.

The first major event of the semester was The National Meeting in Cleveland on February 15. Fourteen brothers made the trip. We all enjoyed the opportunity to meet and party with other brothers from various chapters. The meeting itself was an interesting and educational experience. A lot of questions we had were answered, particularly about the Alpha Phi Delta Foundation. All the brothers that went enjoyed their stay in Cleveland.

Pledging was down quantitatively, but qualitatively we had

two good guys get in — Mike Monico and Greg Laird.

The new brothers' first party as brothers was the Fort Lauderdale party. This was one of three theme parties for the spring semester. The first theme party was our sports party on February 21. Everyone dressed in a sporting mood (from swim suits to hockey jerseys) and partied. Next was the Fort Lauderdale party on March 15. This was the last party before spring break, and it pumped those who were headed for Florida for break. Our little sisters decorated the house with posters of palm trees, surfers, and basic beach fun. The last theme party was our pajama party. Everyone got their nightwear and partied down. Also participating with the other fraternities on campus we had a clothing party. To get in the party everyone had to give an article of clothing. Two garbage bags of clothing were collected and given to the charity that sponsored the drive.

Our judicial board increased its effectiveness particularly in the collection of outstanding dues. A payment plan was set up with those who owed over fifty dollars, and two warnings and then suspension for those who refused to follow the plan. It has been a very tactful and effective way of collecting late dues.

Some house improvements and repairs were also accomplished. A storage room and the basement got a badly needed cleaning, a new toilet was installed, and the basement drain was cleaned out. We also shampooed all the carpeting in the house.

We participated quite actively in intramural sports this semester. We won championships in wrestling and water polo and placed second in softball.

On April 26 the 10th District Meeting was held in Cleveland. Two representatives from Beta Rho met with representatives from Gamma Epsilon, the Cleveland Alumni Club, and District Governor Dave Jurenovich. Again we were reminded of the importance of keeping in touch with our other entities and cooperating with National as we spoke of our successes and concerns.

The last activity of the semester was our second annual

(continued on page 11)

## CONVENTION HIGHLIGHTS

## VALERIANO — 39TH NATIONAL PRESIDENT

*(continued from page 1)*

## LEGISLATIVE BUSINESS

Most new legislation brought up this year failed to pass. Out of six legislative amendments presented before the body, only one passed.

An amendment to change the method of accepting new candidates was circulated by Jim Lentini of the Brooklyn Alumni Club. He wanted to change the current procedure of having unanimous approval from a chapter before a pledge is accepted into brotherhood. The motion was defeated soundly.

Outgoing treasurer Calvin Shipley circulated an amendment to give voting privileges to the Executive Secretary and Vice-President of Financial Affairs. His premise was that these two men handle most of the day-to-day work of the fraternity and should have a voice in voting on fraternity decisions. This motion failed by a vote of 23 to 17.

Shipley also circulated a motion to eliminate per capita tax by the undergrads and increase the initiation fee as a one-time fee to be paid by all new members. This motion was also brought up last year and failed, but the vote was closer this year as it was defeated by the slimmest of margins, 22 to 21. Support for this issue may be gaining for it to pass next year.

An amendment to fine entities for missing a National Council meeting was defeated unanimously. Along similar lines, an amendment to fine delegates present at the convention for missing a National Council meeting was also defeated.

The only successful amendment that the legislative body passed was one limiting the number of graduate memberships to one per year per entity.

This last item was deemed not to take effect until next year as the Cleveland Alumni Club was presenting eight men for graduate membership. These eight men had been part of their alumni club for some twenty years, but were not brothers of Alpha Phi Delta. After a lengthy discussion over the matter, the eight men were accepted and inducted as brothers.

In other business, the Budget Committee allotted expense money for District Governors. Each governor is entitled to be reimbursed for expenses up to \$50 per chapter per semester.

The Westchester Fairfield Alumni Club was reactivated and assumed a new name as the Lower Hudson Valley Alumni Club.

After 18 years of service, John Palermo resigned as convention chairman this past July (prior to the start of this year's convention). John was not in attendance at Lake Placid. The Resolutions Committee thanked John for his many years of service to the fraternity as Convention Chairman. Santo Barbarino served as Convention Host and Chairman this year.

The 1987 convention site was announced to be Toronto, Canada. It will be city style convention in the Sheraton Centre. The new site was chosen (and will be packaged) as an attempt to attract more families to use the convention as their vacation. Next year's convention will run from a Wednesday to a Sunday (August 19 through 23).

The 1987 Midyear Meeting (which will be a National Council meeting) will be held in Wilkes Barre, PA on the weekend of February 27, 28, March 1. The site will be the Woodlands Hotel and will cost approximately \$90 per brother for a two night stay with Saturday night dinner included.

Alpha Phi Delta's new executive officers take over after the awards dinner. From left: Paul Fabrizio, Jim Bloemker, Bob Valeriano, Joe Rossi, John Russo, Joe Malecki, Dr. Jerry Cashman, Joe Rahtelli, Al Fafara, Tony Papandrea.

A fine group of "Alumnus Emeritus" were in attendance at Lake Placid. (These brothers have all been members of Alpha Phi Delta for at least 50 years.)

Six past National Presidents were in attendance at this year's convention. From left, Al Palazzo, Santo Barbarino, Adam DiVincenzo, Rich Primiano, Trent Ciarrocchi, and Frank Costanzo.

## CONVENTION HIGHLIGHTS

# LAKE PLACID — A GREAT CONVENTION

Whiteface Mountain was a popular stop on the sightseeing tour. Above, convention-goers Paul Russo and Buffy Fedutes enjoy the feeling of being 4800 feet above sea level. Below, fraternity members Greg Rizzo, John Russo, Cal Shipley and Bob Valeriano are at the edge of a lookout point at the very top of the mountain.

Bocce is still a popular activity at the convention.

Amidst the backdrop of the Adirondack Mountains and Mirror Lake, the 1986 National Convention was hosted by the Hilton Hotel in Lake Placid, New York. The Hilton offered the finest accommodations and food that any convention-goer has seen in recent years. Approximately 140 people were in attendance. Included in this group were representatives for ten chapters and fourteen alumni clubs. Brother Jim Giampiccolo traveled the farthest to attend. He came in from the Los Angeles area and represented the Southern California Alumni Club at meetings.

Lake Placid turned out to be a sightseer's dream. There were mountains to climb (most spectacular of which was Whiteface standing some 4800 feet above sea level) and rivers to cross (High Falls Gorge and Ausable Chasm). Lake Placid and Mirror Lake offered boat rides to those who wanted to enjoy some water. The golfers in the crowd were able to choose from three beautiful courses within a three mile radius of the hotel. Of course, Lake Placid's most famous views were the sites of the 1932 and 1980 Olympics — the hockey rinks (there were two — one from each Olympic), the 90m and 70m ski jumps, the downhill and slalom courses on Whiteface, the bobsled and luge runs. Some of the facilities were in use by future Olympic hopefuls who were practicing. All in all, it was a good place for a convention and a vacation.

### NEW OFFICER PROFILES

Robert J. Valeriano takes over as the 39th National President of Alpha Phi Delta (the position was formerly called Grand Consul). Bob pledged at Psi chapter in the spring of 1972. During the summer of 1972, he attended his first National Convention at the Granite. He hasn't missed one since.

Bob graduated from Duquesne University in 1974 with a degree in accounting. Initially he went to work as an accountant and later passed his tests to become a CPA. With that under his belt, Bob switched careers and became a sales representative in pharmaceutical supplies for the Calvin L. Shipley Company. Bob is a lifelong resident of the Pittsburgh area. He and his wife Wendy have two young sons — Adam, 2, and Justin, 9 months.

After graduation, Bob became a member of the Pittsburgh Alumni Club and stayed involved with fraternity. After serving as co-chairman of the PAC's Las Vegas Night for two years, Bob became secretary of the PAC in 1978 and 1979. In 1984, he was elected as Executive Vice-President of the fraternity.

\* \* \* \* \*

Al Fafara, newly elected Executive Vice-President, was initiated into the fraternity at Beta Xi chapter with the spring pledge class of 1969. He thus becomes the first Beta Xi brother elected to the fraternity's second highest office.

Al's undergrad days were highlighted by his election as chapter president. He was the driving force behind saving Beta Xi from extinction. In 1971, the chapter house was destroyed and Beta Xi's future looked bleak. Al negotiated a mass pledging of a local fraternity and gained 15 new brothers and a house.

Tax Reform Makes 1986  
The Best Year To Endow

There has been much discussion about the Tax Reform Act of 1986. While each brother will want to discuss this with his advisor to study the many provisions of the new law, this much is known:

**Your charitable gifts made in 1986 are of special benefit because your deductions will be larger while the higher tax rates prevail.**

If you have been waiting to make a sizeable cash gift to establish a scholarship in your name or in the name of a special family member, friend, brother or spouse, 1986 is the year.

If you have been waiting to make a sizeable cash gift to endow a special Italian-American cultural activity in your name or in the name of a special person, 1986 is the year.

If you have been waiting to make a sizeable cash gift to endow the Foundation's undergraduate chapter instruction in your name or in the name of a special person, 1986 is the year.

If you have been waiting to make a sizeable cash gift to endow the publication of the **Kleos** in your name or in the name of a special person, 1986 is the year.

1986 Alpha Phi Delta  
Foundation Meeting Lays  
The Groundwork

by Michael G. Zerega

On October 4, 1986, the Alpha Phi Delta Foundation held its annual meeting at the Hyatt in Pittsburgh, Pennsylvania. All divisions were represented — Scholarship, General Fund, and Housing — from all points in the Alpha Phi Delta realm. Much was accomplished:

Funds held in the Housing Division owed to the Life Membership Kleos endowment fund were transferred to the General Fund toward their original purpose: the publication of APD's newspaper **Kleos**. The principal of these funds will not be touched and the interest will go toward underwriting the newspaper's substantial publication costs.

A 1965 loan from the Pittsburgh Alumni Club and the Pittsburgh Ladies Auxiliary was repaid from the Housing Division. The Pittsburgh Alumni and the Ladies Auxiliary are now deciding which Foundation activity they wish to endow with this money.

The name "Good and Welfare" was dropped because of confusion and replaced with simply the General Fund. The General Fund is responsible for the Foundation's cultural, philanthropic and non-scholarship educational activities.

The first Executive Director of the Foundation's General Fund was named: Brother Calvin L. Shipley, Psi 1973. Similar to the job Trent Ciarrocchi has done with scholarship, Cal will be responsible for operation of and fund raising for this important activity.

The Housing Division under Executive Director Joe Caldarello, BE, was given the authority to establish a Board of Trustees who would set the Housing Division loan policy and get on with the business of making loans to brothers for the purpose of providing housing for undergraduate chapters.

A grant was made to the undergraduate fraternity for educational activities during the 1986-87 operating year.

Next issue we will discuss the Foundation in more detail.

## 1986 CONVENTION AWARDS

### Outstanding AC

#### Brooklyn Captures First Outstanding Award

by Jimmy Lentini

The Brooklyn Alumni Club has come far since its reincarnation in 1973, but this year's administration has done a lot to bring the club its first Outstanding Alumni Club Award. Under the leadership of club president Neil Anastasio, the club has had a varied social calendar to keep its members active.

In addition to monthly meetings, a Softball Awards Party, a Brunch and a Broadway outing to see the Tony Award-winning play "Big River", the club attended the Third District Christmas Dance and Beta Sigma's 25th Anniversary Party. Many members are also active in athletics. The BAC entered a softball team in the Staten Island Softball League for the 10th consecutive season. They also played basketball against the local undergrads last November.

This year the BAC membership hit 45 — the highest level in five years. They have paid members from all six of the chapters in the Third District. Their membership is ranging in age from recent grads to "old-timers". The membership is very active and as such they have a good turnout at most events.

The club and its members are also active on a district and national level. In May at the Third District Meeting, Jimmy Lentini was elected as District Governor while Mike Ceciliani and Pete Gaudiuso were re-elected as assistants. All three are dues-paying members of the BAC. The BAC has attended both National Council meetings this year as well as in years past. BAC members Charlie Fiore (Vice-President for Good and Welfare) and Joe Calderella (Chairman of Housing) are National officers.

Over the past year the Brooklyn Alumni Club has done much in the way of publications. It regularly sends out its Brooklyn Alumni Club Newsletter to some 100 to 200 brothers. Also the BAC published a 32 page Directory which contained the names, addresses, phone numbers, career listings, and work phone numbers of over 400 brothers.

All in all, the Brooklyn Alumni Club had a year of which they were proud. The type of year that deserves to be rewarded as the Outstanding Alumni Club of Alpha Phi Delta.

The Brooklyn Alumni Club members show off their award as Outstanding Alumni Club. They are (from left to right) Charles Fiore, V.P. of Good and Welfare; Neil Anastasio, BAC President; Jimmy Lentini, BAC Secretary; and Ralph "Zeke" Parmegiani, BAC Vice-President.

### Most Improved Chapter

#### Beta Phi Most Improved in 1985-86

After a tough year in 1984-85, Beta Phi chapter at Glassboro State stuck together and worked hard to put their chapter back on top. During the previous year the brothers at Beta Phi were faced with many serious problems:

- Lost a total of 30 brothers to graduation and inactivity.
- Inducted only three new brothers in the same period.
- Lost the use of their campus house.
- Left with an \$800 debt to National from the previous administration.
- Low morale among brothers resulting in low attendance at meetings and inactivity.

Under new leadership this past year, Beta Phi has gone from near inactivity to being number one on campus. As a result of hard work from the remaining 12 brothers on campus, the chapter had 20 pledges in the fall semester to lead all fraternities at Glassboro. Since the induction of the fall pledge class, Beta Phi has achieved many outstanding accomplishments.

- Paid off all debts.
- Acquired a new fraternity house.
- Hosted the induction of Eastern College's Alpha pledge class.
- Held a Halloween Party that was attended by over 300 Glassboro students.
- Participated in Homecoming by building an impressive float in conjunction with Delta Zeta sorority.
- Attended the Mid-Year National Meeting at Cleveland.
- Helped clean up the grounds for Glassboro's Newman Center.

With the election of Howard Beder as president for 1986, Beta Phi still kept moving ahead. During alcohol awareness week (a week with various events to deter students from drinking and driving), brothers from Beta Phi competed with all other greeks on campus in a comedy competition. Beta Phi stole the show by winning the \$100 first prize.

In the spring the chapter did major repairs on their house. The chapter is in the process of attempting to purchase the house from its present owners. To wrap up the year, Beta Phi held its annual spring formal which was attended by over 30 couples, including alumni brothers.

Beta Phi has worked very hard to achieve their goals for the past year. This is only the beginning of the great things that they have planned for the upcoming year.

Brothers from Beta Phi accept their award as Most Improved Chapter.

## BIG AL'S CORNER

**Al Fafara**

*Executive Vice-President*

### September Is That Time Of The Year

Having been around Alpha Phi Delta for 17 years, I've always gotten caught up in that special kind of feeling that seems to ooze through our fraternity every year around this time. It's kind of like the opening day of baseball season — when even the last place teams start out 0-0 like everybody else and have dreams of winning pennants. It used to be in years past when everyone got back from National Convention, there was a renewed spirit, a "we got the ball, so let's go!" attitude. Recently, not all of our chapters have been going to Convention and next year there won't be any per se in August; but from my brief observations, there has been no dampening of the enthusiasm that is usually so prevalent at the beginning of the fall semester. It's unfortunate that we can't take this spirit, bottle it, and open it up at the end of November or beginning of December. At any rate, September is that time of the year when . . .

Every chapter will be the Outstanding Chapter and every senior will be the Outstanding Undergraduate next summer . . .

The fraternity house stays clean for more than just a day . . .

Everybody is going to get a 4.0 . . .

This year's crop of girls at the parties will definitely be better looking than last year's moose herd . . .

The chapter football team will finally beat the arch-rival s.o.b. frat on campus . . .

The chapter will make road trips to every far corner of the fraternity . . .

Every chapter will have at least 15 pledges within a month . . .

Every brother will pay his dues on time . . .

Per capita will be paid on time . . .

Exams, term papers, labs, projects, etc. are all dates in the far future . . .

Nobody will get drunk watching Monday Night Football . . .

Homework will actually get done on some night other than the day before it's due . . .

All brothers will vow to come to every meeting, every party, every sports function, every pledge event, etc., etc., etc. . . .

The brothers will actually remember the name of the District Governor . . .

The N.J.A.C. will finally beat Beta Xi in something . . .

There will be peace in the Cleveland Alumni Club . . .

The D.V.A.C. will have a 10 minute dinner and an hour and a half meeting . . .

Psi Chapter will become heavily involved in National . . .

Beta Lambda will surface . . .

There will be hope in Boston . . .

Your National Executive V.P. will clean up his act . . .

*(Commentary on the above is welcome. Write to Al Fafara, 50 Kennedy Dr., 2nd Floor, Lodi, N.J. 07644).*

### Pinchiaroli: Outstanding Undergrad

*(continued from page 4)*

Immediately upon graduation, Chris became a member of the L.I.A.C. and was recently elected secretary. He has also become the first Beta Omega Man to become an Alpha Phi Delta life member.

Chris is still active in Beta Omega Affairs, offering a different viewpoint, and the benefits of his experience and maturity.

Christopher Pinchiaroli has, through his unusual and unrelenting motivation and dedication, made it evident that the eternal flame of Alpha Phi Delta burns brightly within him.

### Beta Rho Wins Coveted Award

*(continued from page 5)*

Niagara Falls roadtrip. Twenty-five brothers in a convoy of five cars made the trip. We partied all night, hitting bars in Canada and New York and saw the falls in the morning. It was a nice, wild fling before buckling down and preparing for finals.

As classes were drawing to a close a feeling of pride, yet one of loss, touched the fraternity as nine brothers graduated.

Summer came and we went our ways. Ten brothers stayed for the summer, taking classes or working. An assortment of jobs were held, from delivering mail, being night security for Gannon, to lifeguarding and clerking.

On the weekend of July 11, 12, and 13 we held our Summer Weekend. Most of the brothers and little sisters found time in their busy schedules to come back for a weekend party. Friday night we had a catered party at the house. Brother Richard DiBacco, '62, was gracious enough to extend the use of his house, tennis courts, and swimming pool for the weekend, so Saturday was spent at his residence. On Sunday we spent the afternoon at the beach on Presque Isle. It was good to take a break from summer work and party one more time.

### Lake Placid — A Great Convention

*(continued from page 7)*

After graduating from New Jersey Institute of Technology, Al began a career in insurance. It has been a noteworthy career. He achieved a 100% score on one of his insurance licensing examinations. His perfect score was such a rare accomplishment that the Insurance Institute of America gave him a special plaque and dinner to commemorate his feat. In October 1984, Al was presented with his certificate as a Chartered Property Casualty Underwriter.

Al has received a number of awards as an alumnus citing his contributions to Alpha Phi Delta. In 1981, he was the fraternity's Outstanding Alumnus and the recipient of the Third District's same award; in 1974 he was given a National Service Award; and in 1985 he was named the recipient of the Vincent Larcy Communications Award for his work as secretary of the New Jersey Alumni Club.

Al has been visibly involved in NJAC ever since graduation. In 1974 he authored the first history of Beta Xi. Since 1972, he has written every issue of the NJAC's quarterly newsletter. He also served as Third District Governor from 1976 to 1978.

Currently Al is a bachelor living in Lodi, New Jersey. Many of you will be hearing and seeing a lot from Al in the next two years.

## FRATERNITY SCOOP

### The Lower Hudson Valley Alumni Club Organizes

by Joseph Rahtelli

On July 16, 1986 some brothers of Alpha Phi Delta assembled in Sparkill, New York, to have the formation meeting of an alumni club. After discussing what their intentions would be, they all decided that a new alumni club in the Third District should be conceived in order to activate the brothers in the Hudson Valley region of New York.

On August 13, 1986 the same brothers gathered with several others to solidify the foundation of the youngest entity in Alpha Phi Delta. They had elections and the result was a slate of officers headed by their first President Dr. Jerome Cashman. They established a calendar of events for the remainder of this year and decided on a name for the club. After deciding that they wanted to encompass the regions of Bronx, Westchester, Rockland, North Bergen, and Fairfield, they decided on the name of the Lower Hudson Valley Alumni Club. They were officially reactivated as the Bronx-Westchester Alumni Club at the National Convention, and then officially changed the name.

Toward the end of the convention the brothers from the newest alumni club were approached by three brothers from the original alumni club in that area. They made plans to have the brothers from those older inactive alumni clubs become active members in the newest one.

The alumni club has already grown to over thirty members, including six past or present National Officers and six past or present Third District Officers. Their main objectives are to keep the brothers active in the Third District as well as on the National level. They hope to become involved with Beta Beta chapter, (Manhattan College), and the potential new chapter at Pace University, Pleasantville. They are also looking into the possibilities of another undergraduate chapter in Westchester or Fairfield. Things are looking very optimistic and the way this club seems to have blossomed, they will become a very strong and active club in the fraternity in the near future.

### Third District Xmas Dance On Horizon

On December 12th, 1986 The Third District's Annual Christmas Dance returns to Brooklyn (after two years in New Jersey and Queens). It is being held at the elegant LaMer at 1060 Ocean Parkway between Aves. J&K.

This year's District Christmas Dance Chairman is Rich Esposito (Beta Omicron '81), who says that this year's Dance will be the best one yet. It will feature a full dinner with choice of entree (prime rib, filet of flounder, or chicken), 12 hors d'oeuvres, cocktails, frank cart, soup, salad, liquor, and a champagne toast. In addition the music will be provided by a band featuring both male and female vocalists (they're terrific).

How much will all this cost you?? Well your life savings is safe . . . only \$40 per person alumnus and \$37.50 per person undergraduate. That is not much at all for a place of the quality and atmosphere of LaMer (which is considered one of the premier halls in Brooklyn).

The Dance as usual will be on a Friday. Remember that date . . . December 12th (12/12 — it's easy to remember). If you have any other questions about the dinner call up Rich Esposito (chairman) at 718-987-7406. Or send in your money to Rich at 60 Kensico St., Staten Island, NY 10306.

### Cultural Committee Seeks Members

It was a genuine pleasure for me to accept the appointment as V.P. for Cultural Affairs at the summer convention at Lake Placid because I consider service to Alpha Phi Delta a privilege and an honor.

According to the Constitution, I am empowered to appoint a Cultural Committee. The purpose of this memo is to ask anyone interested in and willing to serve to contact me. My address is Box 87, Congers, New York 10920.

I am also interested in receiving from you any and all suggestions concerning what you would like to see as part of the cultural program, and I thank you in anticipation of your response.

Best wishes to all the new officers and to each of you.

Fraternally,  
Jerome P. Cashman, Ph.D.

#### OBITUARY

##### Dr. Joseph Pischieri, Kappa

Dr. Joseph Pischieri (Kappa '22) died on August 7, 1986 in Cleveland, Ohio. Dr. Pischieri was 80 years old and had heart problems in recent years. He was a member of the Cleveland Alumni Club.

Dr. Pischieri was born in Cleveland and returned there after getting his medical degree from St. Louis University in 1931. He had his internship at St. Alexis Hospital in Cleveland and started a private practice. Nine years later his practice was interrupted by WWII. He spent four years with the Army Medical Corps and was stationed in the South Pacific with the first group entering Japan after the atomic bombs were dropped. After the war he took up a radiology residency at St. Alexis and was head of the department from 1951 until his retirement in 1973.

Dr. Pischieri also had an interest in horses and horse racing. He raised thoroughbreds at his 358-acre horse farm to take his mind off medical problems. One of his horses, Lee Town, ran in the 1961 Kentucky Derby.

The Cleveland Alumni Club held "Henry Mancini Night" July 5th, 1986 at the Blossom Music Center in Cleveland. Pictured in center is honorary brother Henry Mancini with Brothers Joe Gambatese (left) and Ralph Musengo.

# ALPHA PHI DELTA QUESTIONNAIRE

In October, the Alpha Phi Delta Foundation mailed out questionnaires to all alumni. If you haven't responded or failed to receive a questionnaire, please complete it now and mail it in with the envelope that is in the center of *The Kleos*. The questionnaire has been reproduced on page 14 of this issue. Following on this page are the two letters that were enclosed with the questionnaire. Your response is needed to make this survey worthwhile.

## Alpha Phi Delta

An Italo-American Fraternity Since 1914

Alpha Phi Delta Foundation  
Washington Plaza #2211  
Pittsburgh, PA 15219-3530

September 2, 1986

Dear Brother:

I would like you to take out a pen, pull up a chair and give ten minutes to help plan Alpha Phi Delta's future.

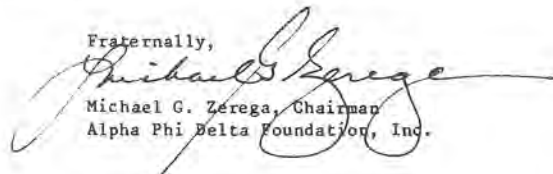

The Alpha Phi Delta Foundation has engaged a Development Consultant firm, Gatto Training Associates (GTA), to design a project which will find out what you think about APD and what hopes you have for its future.

The Foundation is fortunate to have GTA. Dr. Rex Gatto, who personally designed our project, has ten years experience in the human resources field and has conducted seminars for corporations and universities to aid people in organizations with understanding themselves, to communicate better and to improve productivity.

The first step of this project is the enclosed nineteen questions. Questions 1 through 10 relate to general topics having to do with the Fraternity. Questions 11 through 14 deal with your attitudes about the Scholarship Division of the Foundation. Question 15 through 18 are about the financial affairs of the Foundation, Question 19 asks you what you would like your Fraternity to do for you and for your comments. Individual responses will be treated confidentially. A general report on what we learn will be sent to all responders.

Why this questionnaire? Because for too many years we've been guessing at what you think and want. Tell us what you think. No more guessing. Please do it now.

Fraternally,

Michael G. Zerega, Chairman  
Alpha Phi Delta Foundation, Inc.

P.S. We need your response back fast! Fill out the enclosed questionnaire and mail it back today.

## Gatto Training Associates

Development Consultants

Suite 107-Landmark Building  
733 Washington Rd.  
Pittsburgh, PA 15228

September 2, 1986

Dear Sir:

How can you perpetuate A.P.D. into the 21st Century? Over the past few years, Alpha Phi Delta has been preparing for future prosperity by providing services to its brothers after graduation. Through a scholarship fund, housing investment, and good and welfare.

**Scholarship Fund** — Monies are available to assist family members with college/university tuition.

**Housing Investment** — An investment program is available to purchase fraternity houses for investment and tax purposes.

**Good and Welfare** — Monies are available for cultural, community, and undergraduate purposes.

To continue and further this work, A.P.D. requires two commodities: your thoughts and your money. Your thoughts to create a focus and direction of what services to provide; your money to carry out the services.

The purpose of the enclosed questionnaire is to assess the diverse thoughts of the brothers of Alpha Phi Delta. By responding, you can help create a vision and direction toward the 21st Century. We want to identify brothers' needs from their national fraternity and what services could be provided to assist the brothers. **Examples:** 1) a professional networking system; 2) business promotion; 3) summer internships using undergraduate brothers; 4) contribute money to an undergraduate college or university library in the name of an A.P.D. Alumni.

It is important that we all recognize what the fraternity, as a whole, can offer. While an undergraduate, the fraternity provided a social maturing for most brothers. After graduating, except for social functions, the fraternity did not offer many possible benefits to its brothers. However, this is no longer the case. Today you can help to guide the fraternity into a new frontier.

Please spend a few minutes to read and fill out the enclosed questionnaire. Everyone who responds will receive a copy of the results.

Sincerely,

Rex Paul Gatto, Ph.D.  
President  
Gatto Training Associates
