About the fellowship awards

Mauro Pierucci Fellowship - \$2,000

His commitment laid the foundation for additional fellowships, ensuring that brothers have the opportunity to experience the rich cultural and educational offerings of studying in Italy.

Anthony Carfang Fellowship - \$1,000

This fund was established by Past National President and former Foundation Chairman Anthony Carfang to create an endowment providing annual support for deserving undergraduate brothers studying in Italy and expanding their cultural horizons.

Beta Delta Legacy Fellowship - \$1,000

Established by the Beta Delta Brothers of Temple University with a \$25,000 gift, the Beta Delta Legacy Fund supports Alpha Phi Delta's Cultural Heritage program - assisting undergraduate brothers with the opportunity to study in Italy and experience the country's rich history, art, and culture firsthand.

Cozzolino Family Fellowship - \$500

Founded by Beta Beta brother and Foundation Director Andrew Cozzolino, this fellowship supports brothers who are passionate about studying in Italy, offering them the opportunity to immerse themselves in its rich culture while advancing their academic pursuits.
