## NOTES

- Congratulations to all the winners and a special thank you to the over 300 applicants that applied for these scholarships.
- The Trustees would like to extend our sincere gratitude to R.J. Hartman and William Fiore, who served as the administrators for this year's awards cycle. Their diligent oversight, careful coordination, and commitment to honoring academic excellence helped ensure another successful year of recognizing our outstanding applicants.
- A somber word of thanks to a man we all loved, our recently deceased beloved trustee Anthony Barbieri. No man walked on the earth that was kinder or more diligent than Tony. Our entire fraternity will deeply miss another giant of our brotherhood. May he rest in peace in the hands of our Lord.
